

# EVANS MODEL 0366

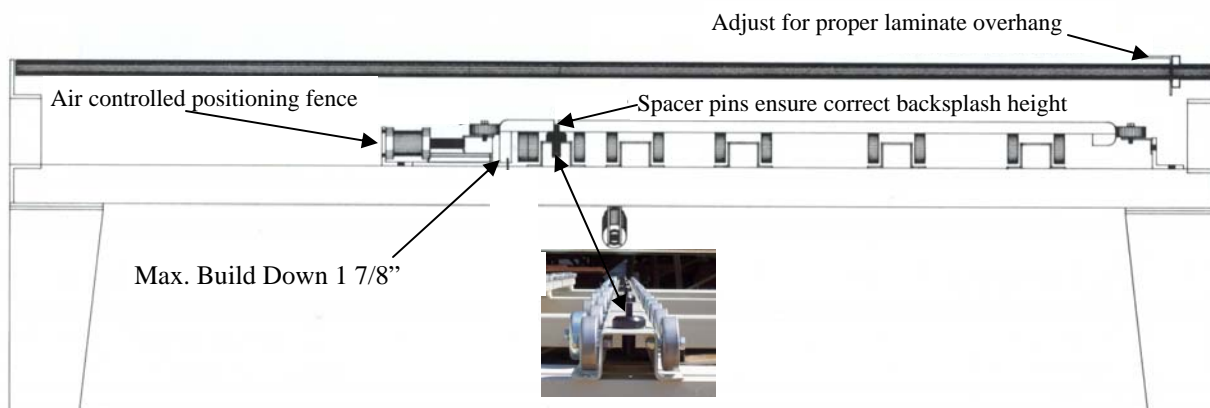

## INDEX TABLE

PROVEN A PERFECT FIT  
AROUND THE WORLD, IN ALL  
SIZE OPERATIONS!

- **Precise alignment of laminates with core stock**
- **Adjustable to accommodate counter tops, wall paneling and other pieces up to 62" wide by 145" long**
- **Saves time!**
- **Saves Money!**
- **Eliminates waste!**

The Evans Machinery Model 0366 Index Table aligns laminate and core stock accurately. Fully adjustable design accepts materials up to 62" wide by 145" long, and is the ideal complement to the 0206 Pinch Roller. Adjustable table guides assure quick and correct spacing between core stock and backsplash for the cove bend. No electricity is required, an air supply of only 80 PSI.
