

EVANS MODEL 0710

MITER SAW (WITH POWER FEED)

PROVEN A PERFECT FIT
AROUND THE WORLD, IN ALL
SIZE OPERATIONS!

THE EVANS EZY-MITER
GUARANTEES
PRECISION CUT MITERS
EVERY TIME

**FAST
VERSATILE
AFFORDABLE**

The Evans Model 0710 Miter Saw guarantees precision cut miters every time! There's no hit or miss, not ever. The custom designed top insures you 22 1/2 , 45, and 90 degree miters, without gauges, guides, or fences. The electric power feed mechanism has positive forward and reverse actions. Every Miter Saw comes equipped with the Evans Saw Guard specially designed to provide maximum operator safety without sacrificing accuracy, workability, or production flow. The 0710 Mitre Saw has proven itself both reliable and dependable within the countertop fabricators industry.
